Mark C. McCartt, Clerk
U.S. DISTRICT COURT

Also detainee also certifies under penalty of perjury.

That all defendants received a copy of lawsuit in their work in boxes by Unit Manager Coleman on 05/17/2023. Hiniger and Johnsons copies were mailed via legal mail by Cimarron Correctional Mail unit, on 05/18/2023.

Detainee has no access to internet to get mailing addresses of defendants see enclosed request to cc counselor Friermuth who said she could not due to company privacy rules. Law Library Officer said the same . And I asked two people on the outside to get this information through work access they both would be terminated if they did so. So detainee cannot provide personal addresses for Subpoena purposes due to these reasons. See 2 enclosed documents shows good faith effort to provide serviceable addresses

Detainee seeks injunctive relief to not be transferred from Cimarron Correctional facility in retaliation for filing lawsuit since damages sought is not monetary rather medial and commissary relief. And by moving detainee would cancel the Courts ability to ensure detainees relief sought was timely and fully administered.

Declaratory Relief by Court

Detainee seeks Breast augmentation Adams apple shaved and Hair extensions also Commissary to provide access to items already available to female and transgender inmates at BOP Facilities. Detainee ask court to instruct Commissary manager Battles to provide via commissary Concealer, Lip Gloss , Eye Shadow, Eye Liner, Mascara, Eye brow Pencil and Pomegranate body wash, and effy sponge for make up application.

Detainee further prays that the Honorable Judge Gregory K. Prizzell to review and take in consideration the initial documents that detainee sent in to start case for background information that should provide his honor with steps needed to prove diagnosis of Gender Dysphoria by Dr Fang of U.S Dept of Veterans Affairs on approx 02/2022. And steps met for living as female on requires 1 year detainee lived as female 13years and 6 months. Detainee has approx 14 months of hormones now taking Estradol and Spirolactone. Detainee Seeks a declaratory relief by his honor to designate Cimarron Correctional as not a transition facility as this definition would be short stays , which any reasonable person would not see 40 months up to 5 years as a transitional time frame but SEMI -PERMANENT. And Detainee ask that the Judge so mandate to facility designation as such thereby preventing detainees access to Needed Services. 402.00 FEE HAS BEEN MAILED
